

Deadline to accept your offer

Login to [NottinghamHub](#)

You can view the due date to accept your offer under **'Tasks'** tile.

The due date to accept your offer is also printed in your offer letter. Click on **'Documents'** tile to download a copy of your offer letter.

The course deposit is not applicable to postgraduate research, but you **must still** accept your offer via NottinghamHub. The specific deadline is stated in your offer letter.

Click on **'To Do List'** menu to view the pending task. The due date will be visible in the page.

This is typically a **4-week deadline**, but we may set an earlier deadline for late applications, such as when the registration date or visa application deadline is approaching.
