SAFETY / TRAFFIC REGULATION / GENERAL CONCERNS

The points below are important for all university bus passengers to follow, for the benefit of all parties involved in the shuttle bus service, may it be the bus drivers or you as the passenger. Everyone's cooperation will effectively make each journey a more comfortable one.

- ❖ Please only wait at **assigned** pick-up/drop-off points. Bus drivers have been instructed to pick-up and drop-off passengers at assigned stops only. This is important for safety reasons and also that the drivers follow the traffic laws. However, the drivers **upon their discretion** may drop-off or pick-up passengers at unassigned stops only if there is an emergency need to do so, or when it's raining heavily; as long as it does not endanger the lives of others and themselves.
- ❖ Passengers have **no right to demand** the bus drivers to stop according to their personal needs, unless it's an emergency.
- ❖ Please **clearly indicate or inform** the bus driver **in advance** whenever you want to be dropped-off or picked-up from an assigned stopping point.
- ❖ **Do not wait at road junctions** as it will endanger your lives and also the lives of others.
- ❖ Board the buses **early** and do not wait for it to move then decide to **run** after it or **demand** the bus drivers to wait for you or your peers. Actions like these **will not be tolerated** as the shuttle bus service is provided for all university students and staff and not as a private vehicle for a few.
- ❖ **No Standing Rule** – When the buses are full (44-passengers), please **wait for the next bus or a back-up bus** and cooperate with the bus driver by following his instructions. **Back-up buses will take some time to arrive, so please be patient.**
- ❖ Any university bus passenger found to have disrupted the journey of shuttle bus service and/or endangered the lives of other students and staff by their undisciplined or rebellious / reckless behavior will be accountable to the university management.
