CROPS  
FOR THE  
FUTURE  
RESEARCH CENTRE

[www.cffresearch.org](http://www.cffresearch.org)

# Crops for the Future Research Centre

Company limited by guarantee without share capital

World's first research centre dedicated to underutilised crops:

- Food, feed, health, nutrition, energy, biomaterials
- Product marketing opportunities
- Capacity-building

# CFFRC – Research Strategy

Core investment in research on underutilised crops

Accessing digital technologies across value chain

Knowledge  
Systems

High  
Value  
Crops

Nutritional  
Security

Moving 'up the value chain' through  
novel products

Enhancing community nutrition and  
health by diversifying crop products

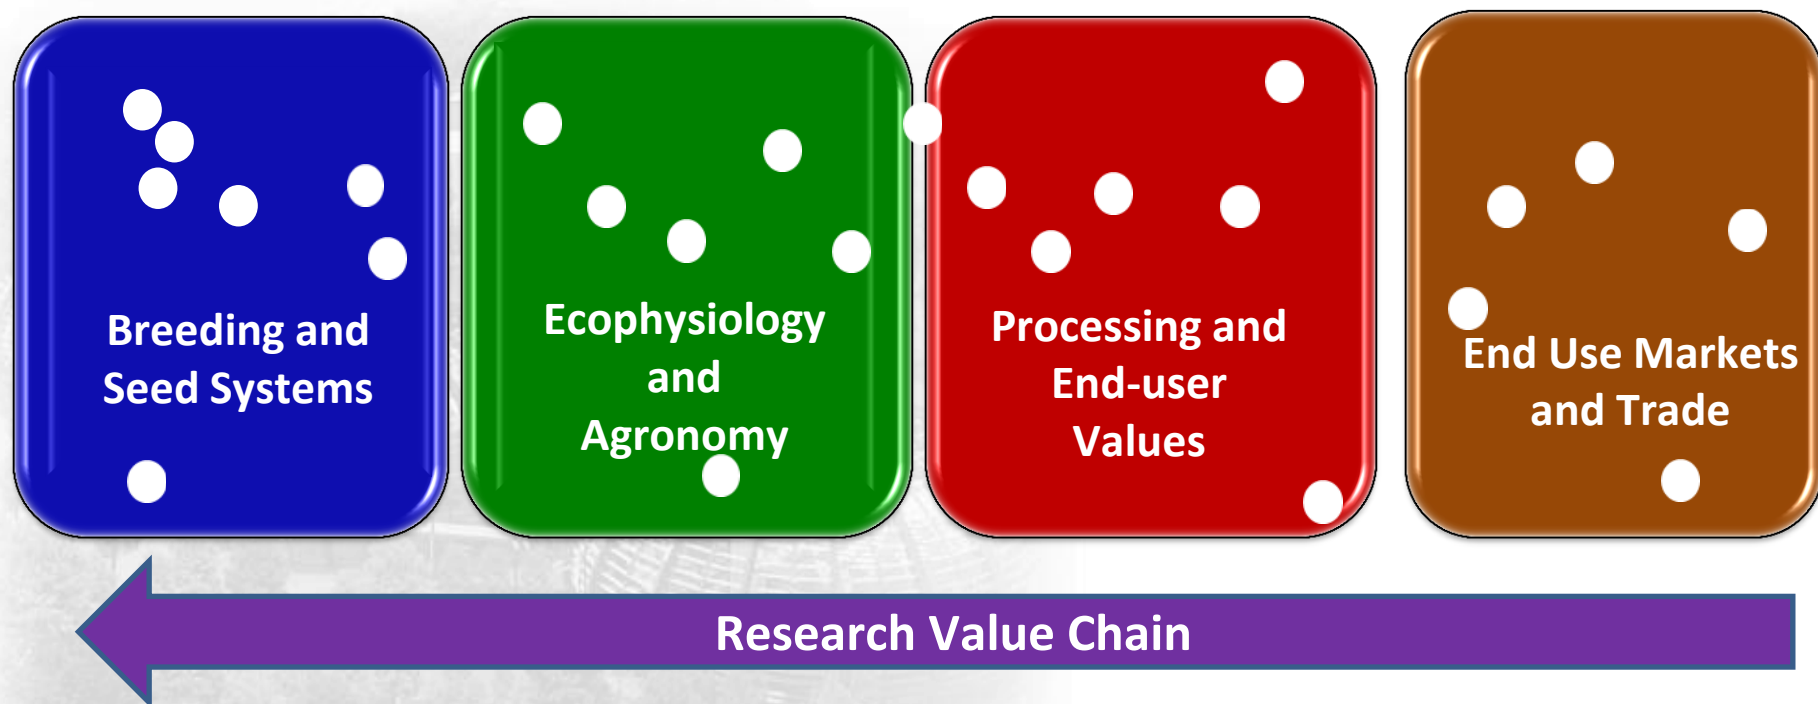

# CFFRC – Regional Partners

# CFFRC – Exemplar Programmes
