

Total Welding Solution Provider with Products that Matter

Company Profile

Allalloy Dynaweld was formed on the 8th January 2008 and managed by a team with more than 20 years of experience in serving the welding industry.

Our objective

To be a valuable partner in our customers' supply chain by providing quality welding consultancy services and solutions, to enhance our customers' productivity and/or help them to re-design their welding job function so as to become more employment friendly. This can be achieved with our many years of experience and will always recommend processes that reduce wastage and increasing welding efficiency.

Our mission

- Delivering high end filler metals, welding machines, accessories and consumables that enhance our customers' productivity and throughput – increasing their efficiency and reducing cost.
- Be our customers' and partners' preferred partner by providing complete welding solution.
- Serving the
 - MARINE, OIL & GAS FABRICATORS
 - OFFSHORE PIPE LAYING CONSTRUCTORS
 - POWER PLANT AND PETROCHEMICAL CONSTRUCTION
- To build Allalloy as the brand that means creativity, reliability, technical superiority, friendliness and honesty to our customers, partners and stakeholders.

Our Team

A qualified team with Mechanical and Chemical Engineering, Shipbuilding & Offshore Engineering, Safety Officer and AWS Welding Inspector for technical understanding and Business Administration for the smooth operation of our company.

41 members in total, 30 with Diploma and above.

Our Market Coverage

- Singapore, Malaysia, Indonesia, Thailand, Australia & Vietnam.

Total Welding Solution Provider with Products that Matter

Sales for FY2008 to 2012

Stocks: We have more than S\$9M in our warehouse.

Our Products

1) Filler Metals

- CIGWELD ALLOYCRAFT – Low alloy SMAW
- OERLIKON – Full Range of Welding Filler Metals including Nickel Alloy Cladding Strips
- REVOLLOY – Filler Metals
- SANDVIK – Duplex, Super Duplex Filler Metals & Stainless Steel Strips
- STOODY – Nickel Alloy FCAW and Hard Facing Electrodes
- TECHALLOY – Full range of Nickel Alloy Filler Metals

2) Grinding/Cutting Abrasives and Wire Brushes

- ANDERSON – Wire Wheel & Cup brushes in stringer, knot and crimp style
- NORTON – Grinding & Cutting wheels, depressed and flat type
- REVOLT – Flap wheels, Flap discs and Pink Mounted Points.
- WEILER – Wire wheel & cup brushes, Abrasives Flap wheels and Flap discs

3) Gas Apparatus and Automation

- OERLIKON – Automatic CNC Cutting Systems
- REVOLT – Straight cutting machine, Cutting/Welding Torches and Nozzles
- VICTOR – Full range of Heavy Duty Gas equipment

Total Welding Solution Provider with Products that Matter

4) Pipe Flame & Cold Beveling and Cutting, Handling Equipment

- DMI – Pneumatic Line-up Clamps, Hydraulic Facing Machines, Launchers, Benders, Cradles/Slings
- ESCO TOOLS – Formed Tool Beveling Machine
- MTI – Cold Cutting and Beveling Machines
- REVOLT – Simple Chain type Flame Cutting Machine and Basic Pipe Clamp
- SAWYER – Portable Pipe Cutting & Beveling Machines

5) Pneumatic Power Tools/Electric Power Tools

- DEWALT – Full range of electrical power tools
- REVOLT – Full range of Angle, Straight, Pencil Grinders, Needle Scalers & Flux Chippers

6) Welding Accessories

- ARCAIR – Gouging Torches
- REVOLT – Welding Cables, MIG/FCAW Torches, Accessories and Consumables
- TEMPINDIC – Temperature Indicating Crayons

7) Welding Equipment and Automation

- EWM – Manual and Semi-Auto Hot Wire Auto-feed Tig Welding System for very high productivity
- OERLIKON – Full Range of Manual Equipment and Automated Welding Systems, Plasma Welding and Cutting
- PANASONIC – FCAW Power Source with Feeder and Welding Robots

8) Welding Safety Apparels and Industrial Wipes

- KIMBERLY-CLARK – Industrial Wipes, Masks, Degreasers and Chemical Resistant PPE
- REVOLT – Welding Apparels & Safety PPE; CR-39, PC, Magnifier and Shaded Lens
- WELDLINE – Welding Safety
