# Kick-start Your Career!

## A Careers Series for International Students

The outline of each **interactive workshop** is as follows:

### **Workshop 1 | Job search strategies for the international arena**

Participants will learn how to:

- plan and execute job search strategy while studying
- identify job market trends, cultural barriers and work opportunities
- communicate effectively to a prospective employer, both verbally and in writing.

### **Workshop 2 | Preparing for your global career**

Participants will leave with an understanding of:

- what do employers expect of global-ready graduates
- how to take advantage of study-abroad opportunities
- how to develop knowledge of international politics, economics and culture.

### **Workshop 3 | Marketing your international student experience**

Participants will learn how to improve:

- global competency by developing expertise in one of the basic areas of business
- social adaptability in order to work together with culturally diverse populations
- managerial ability with emphases on teamwork and interpersonal skills.

### **Workshop 4 | Cross-cultural networking**

Participants will learn how to:

- develop cultural awareness in learning a foreign language
- establish a professional presence and grace in international business settings
- take advantage of career networking tools and resources.

### **Workshop 5 | Working in Malaysia**

Participants will learn about:

- the workplace cultures in Malaysia
- potential employers who recruit international students
- graduate expectations versus the job market reality.
