

Welcome to the School of Computer Science

Dr. Tomas Maul
University of Nottingham
School of Computer Science

School of Computer Science

- SCS at UNMC
- Founded in 2000
- 12 academic staff
- About 200 students
- Leading Malaysian research school
- Very closely integrated with SCS in Nottingham UK

School of Computer Science

- SCS in UK
- Founded in 1986
- 43 academic staff & 32 research fellows
- About 700 students
- Leading UK research school
 - 2014 REF - top 10 UK Computer Science departments
 - 88% of research is at international level
- Head of School
Professor Jon Garibaldi
- Study abroad (exchange) programme

SCS Staff

Have a look at our [people page](#).

- Dr. Tomas Maul
(Head of School)
- Mr. Michael Chung
(Deputy Head of School)
- Mr. K.R. Selvaraj
(Senior Tutor)
- Dr. ZhiYuan Chen
(PG Director)
- Mr. Sze-Ker Chew
(Examination Officer)
- Dr. Siang-Yew Chong
(Marie Curie Fellow)
- Dr. Amr Ahmed
(Teaching Director)
- Dr. Marina Ng
(Marketing Director)
- Mr. Hani Parhizkar
(Teaching Assistant)
- Dr. Iman Liao
(Research Director)
- Professor Graham Kendall
(CEO)

Undergraduate Courses/Programmes

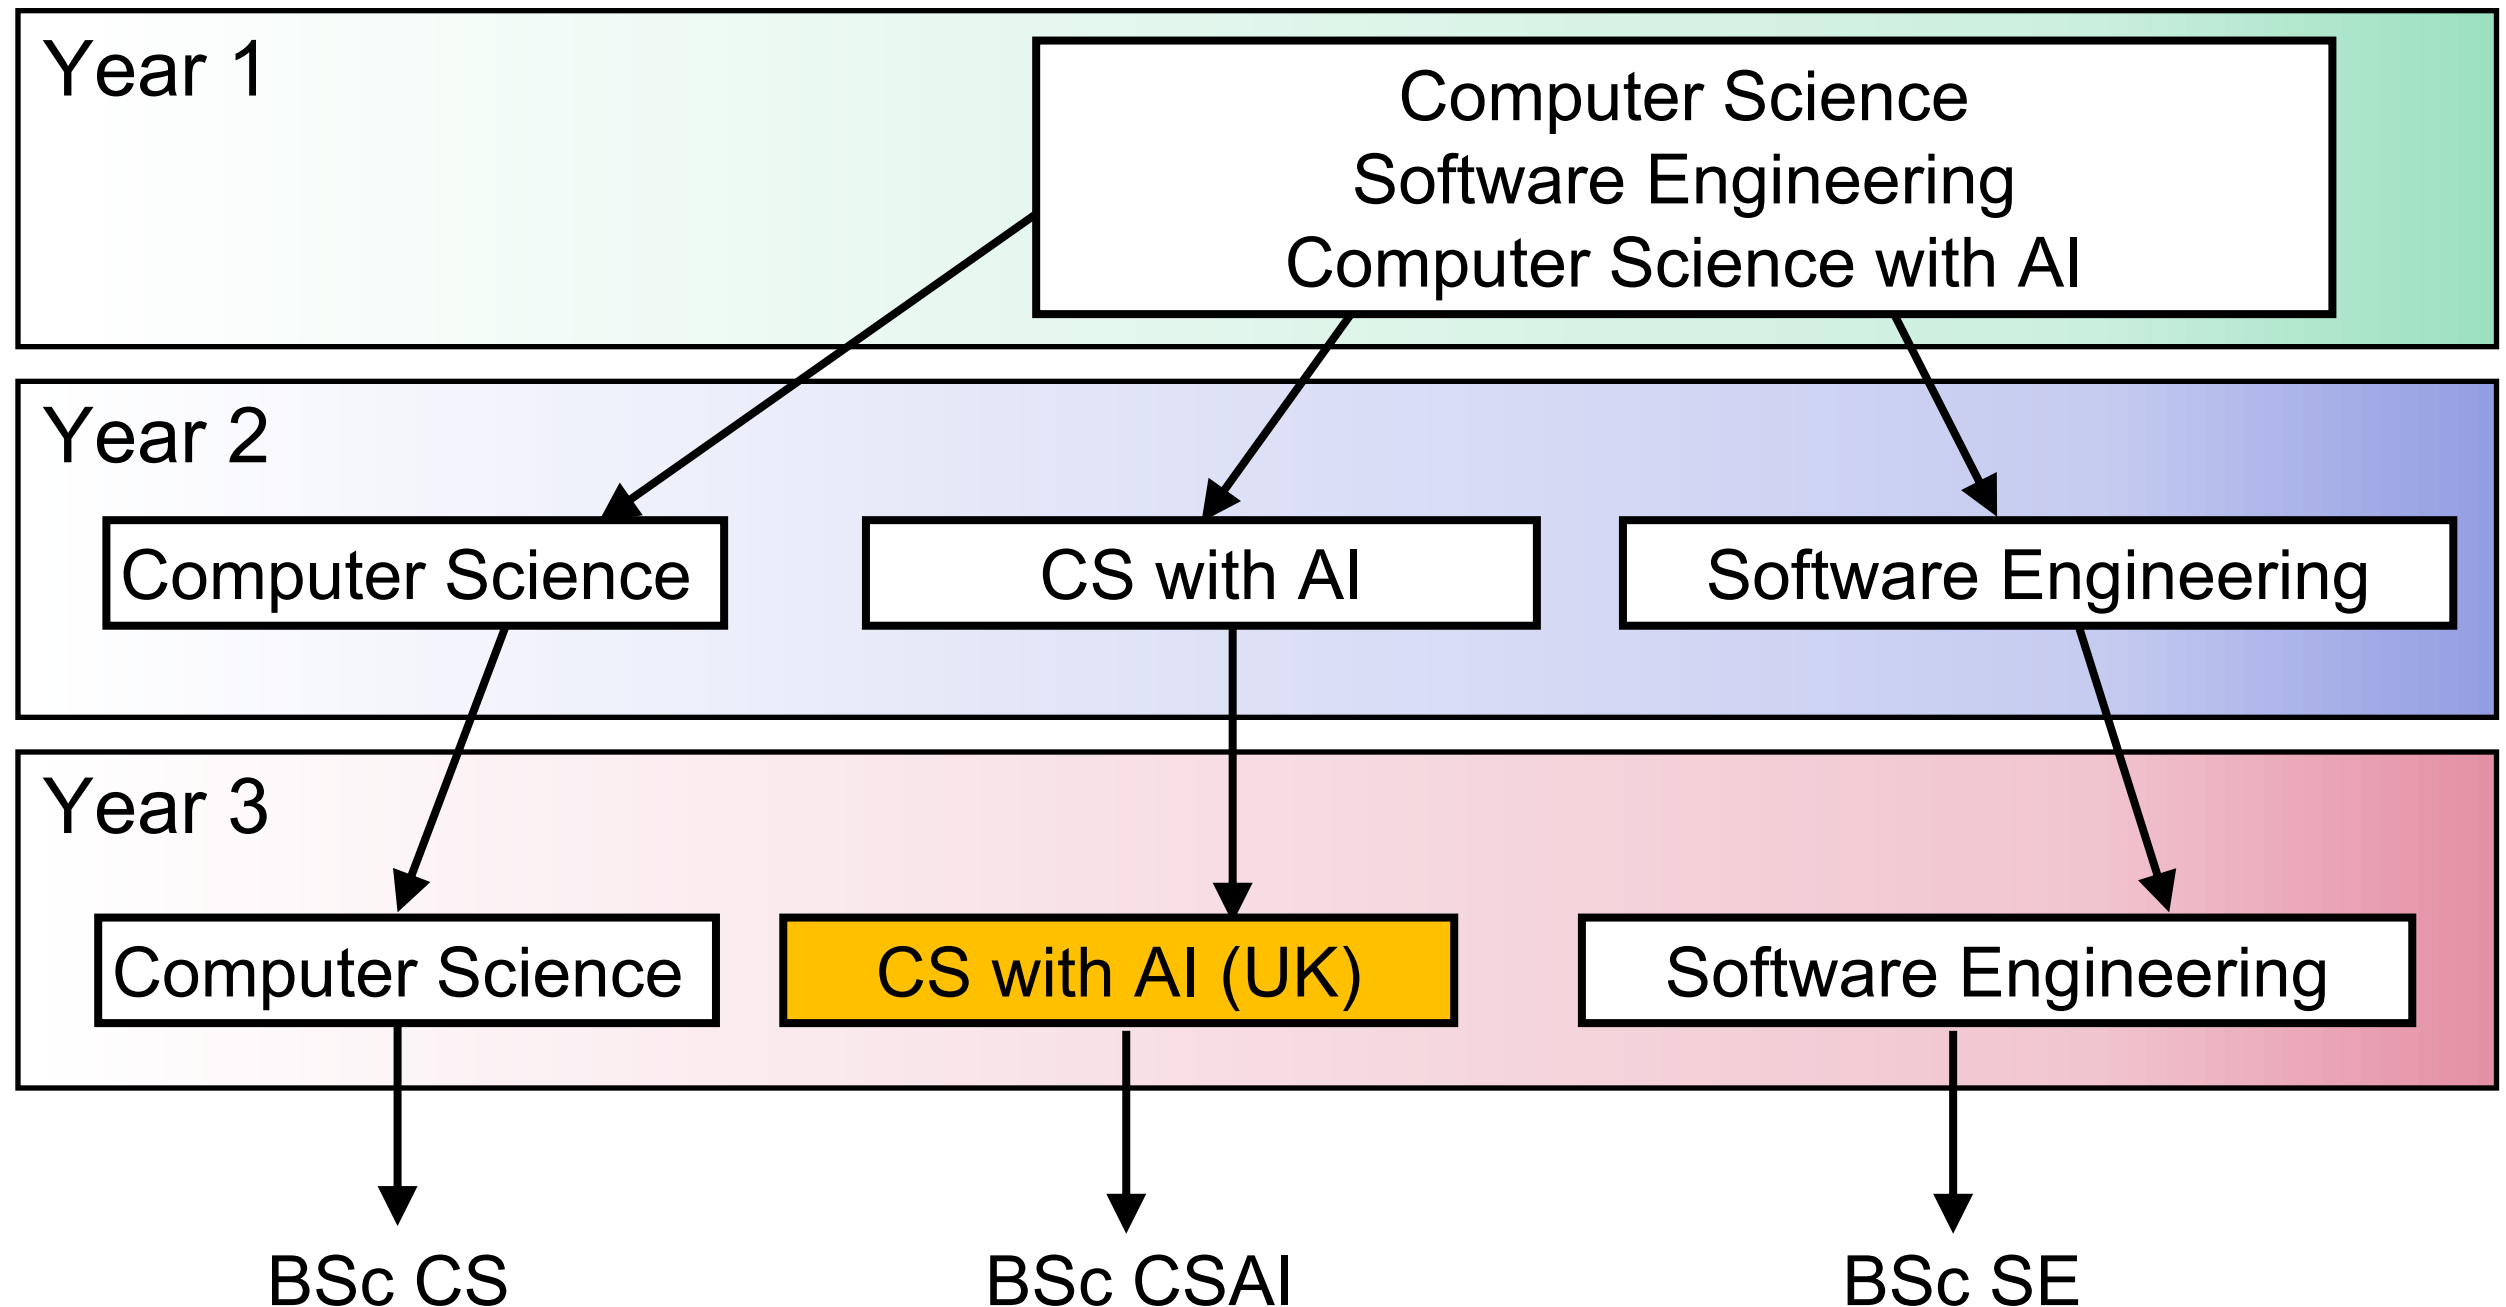

- BSc Computer Science (G400)
- BSc Software Engineering (G601)
- BSc Computer Science with
Artificial Intelligence (G4G7)

UG Course/Programme Structure

Changing courses/programmes :

- Generally speaking, you can change courses/programmes at the end of the first year.
- Sometimes it is possible to change courses/programmes at the end of the 2nd year, but this depends on many factors. Case by case. Changing this late is often not possible.

Study Abroad Programme

- Spend a full year in UK
- Must be second year
- Must return to UNMC for third year
- Malaysia fees still apply
(Not Computer Science with AI)
- Capped at 5. Competitive.

Credits and Modules/Courses

Some terminology from our [Quality Manual](#).

- Modules/Courses are teaching units
 - Compulsory or optional
 - Compensatable or non-compensatable
 - Pre or co-requisites
- Modules/Courses are worth credits
 - Credits are a notional unit of study time
 - Mostly 10, some 20, projects may be 40
 - BSc (honours) - 120 credits per year
- Module/Course activities
 - Lectures / E-learning
 - Labs
 - Tutorials

[1 credit](#) corresponds notionally to about 10 hours of work

Online Information

Assessment

- All modules/courses are assessed
- Exams and/or coursework
 - Exams at end of each semester
 - Coursework deadlines vary per module/course
 - Weightings vary
- Coursework
 - Electronic (through Moodle)
 - Paper (faculty office - get a receipt)
 - Mark penalties for late submission
- Compensation and Resits

Support

- School
 - Personal tutor
 - Senior tutor (Selvaraj)
 - Learning Community Forum (student representatives)
 - Coursework and exam feedback (module/course convenors)
 - Deputy Head of School (Michael Chung)
 - Head of School (Tomas Maul)
 - Disability support officer (Iman Liao)
- How to get meetings with staff
- University
 - Counselling service
 - Careers Advisory Office

Problems and Issues

- Changing Optional Modules/Courses
 - Must be done in the first two weeks of the semester
 - Your responsibility to make up missed lectures
- Changing Courses/Programmes
 - Do it as early as possible
 - Talk to your personal tutor
 - If other schools are involved talk to both schools
- University
 - Counseling Service
 - Careers Advisory Office
 - Student Services
 - Accommodation Office

Attendance

- Lectures, Labs and Tutorials are NOT OPTIONAL
- You must attend. Attendance is compulsory and recorded.
- The first year is called the “Qualifying Year”
- You must qualify - otherwise you will be terminated!
Can be terminated in other years too.
- International students must attend - otherwise you risk getting your student visa withdrawn

Illness and Other Issues

- Extenuating Circumstances
 - Illness or other circumstances outside of your control
 - **TELL US!**
 - **Extenuating Circumstances Form (ECF).**
 - Tutor and module/course convenors of affected modules/courses
 - If appropriate talk to disability support officer
 - If appropriate talk to trained counsellors

Student Information

Information for 2016-2017

General Information for all Computer Science Students

- View [key academic dates](#) and [teaching timetables](#).
- View [Course Structures](#).
- View [Module Catalogue](#).
- Read several notes and pointers on [avoiding plagiarism](#).
- Download [LCF Minutes](#).
- For industry related information, please contact [Dr Chen Zhiyuan](#).

Induction Package

Presentation Slides

- Download [HoS welcome](#).
- Download [course/module information slides](#) by Mr. Ho.
- Download [notes](#) for new students.

Handbooks

- Download [undergraduate student handbook](#).
- Download [undergraduate module descriptions](#).

Tips to do well (1)

- Expect your programme to be tough and plan accordingly
- Turn up to lectures and labs
- Be punctual for lectures
- Check your e-mail daily
- Don't leave things until the last minute

Tips to do well (2)

- Plan your time according to the number of credits a piece of work is worth
- If you don't understand something in a module/course - ask the module/course convenor
- If you are feeling generally lost – talk to your tutor
- Get to know the staff and students in other years and on other courses/programmes

Tips to do well (3)

- Take advantage of University facilities
- Cultivate a sensible work/life balance
- Have fun!

Student Data Capture (SDC) e-form

Student Data Capture (SDC) e-form consists of three sections:

Section 1: **Student Introductory Information**

Section 2: **Student's application experience survey**

Section 3: **Plagiarism Declaration**

<http://bit.ly/2ouCHmZ>

Please go to the link and fill up the e-form now.
