

Induction Notes for the School of Computer Science:

1. Only parts of the total Induction Package are printed. Other induction materials can be accessed via the URL below:

<http://www.nottingham.edu.my/ComputerScience/Current/StudentDocuments.aspx>

They are Module Handbook, guides on Study Skills and Academic Offense, School Tutoring Statement and PARs forms etc. Presentation slides by the Head of School as well as course/module information by the Deputy Head will be uploaded at the same location.

Students are encouraged to read them online instead of printing them out, as part of our effort to become a leading GREEN university.

2. Additional induction talks/meets have been scheduled in the week after the induction week, listed in the Additional School Induction Talks document.
3. Complete the plagiarism form and the personal information form and submit these to the Faculty Office at the ground floor of Block B building latest, by the 29th of September 2017.
4. Formal lectures will start on the 25th of September 2017, Monday. Please attend lectures according to the timetables provided.
5. For new students granted direct entry to Year 2/3, complete and submit the Module Entry Form (MEF) to the faculty office by the third week (i.e. by the 6th of October 2017) of the semester. If the MEF is not available in the Induction Package, please get it from the Faculty Office.
6. As timetables are subject to change, the most up-to-date timetables are available at:

<http://timetablingunmc.nottingham.ac.uk:8006/module.htm>

The spring semester timetables will be published at the same URL before February 2018.

7. The University calendar is available at:

<https://www.nottingham.edu.my/CurrentStudents/documents/Timetabling/Academic-Calendar-2017-2018-UG-and-PG-02.pdf>
