Graduation: August 2014

Putrajaya International Convention Centre (PICC)

Ceremony 2 – Saturday, 16 August 2014, 3.00pm

•Faculty of Engineering
All courses

You must complete and return the form by Friday, 11 July 2014 – your guest ticket allocation is only guaranteed until this date. Do not wait for confirmation that you have successfully completed your studies. You should complete the form even if you do not wish to attend the ceremony (ie graduating *in absentia*) so that we know where to send your certificate. If you do not return a form but your name appears on a passlist, your award will be automatically conferred in absentia – you will not be eligible to attend any subsequent ceremony and will have to contact the Graduation Office directly to make arrangements to collect your certificate.

Graduation ceremonies will be held at the **Putrajaya International Convention Centre, in Wilayah Persekutuan Putrajaya** and will last around 1 ½ hrs.

NOTES Complete and return the first two pages only and retain these pages for your information.

Please complete the form in BLOCK CAPITALS and put a tick in the appropriate answer box where a choice is offered. Please provide your student number if you know it in case we require clarification.

Note 1 Your degree / diploma certificate is a formal record of your academic achievement and we prefer to use that formal version of your name for graduation purposes. You are asked to provide your name as it appears on official records (eg birth certificate / identification card), including all forenames and without abbreviation or initials. We will amend your student record to reflect this is appropriate.

Note 1a Your name will appear in the ceremony programme and on your certificate and transcript in the format you have indicated in the form. Titles and other awards are not included. It is very important that you fill this information correctly as this is what we will follow when printing your actual certificates.

Once your certificate has been issued it is not possible to amend how your name is shown in any way.

Note 2 You can choose either to attend the ceremony and graduate in person or not to attend and to have your award conferred in your absence (known as graduating *in absentia*). Mark your choice clearly.

Note 3 We ask for a permanent (home) address and a local (correspondence) address. The local address should be in Malaysia if possible. Please complete both boxes or indicate if we should use one address for both purposes. If you choose to graduate *in absentia*, your certificate will be posted to your permanent address 6-8 weeks after the ceremony. If you choose to attend the ceremony, we will send further instructions about the ceremony to your correspondence and e-mail addresses early **mid July 2014**. It is important for you to contact us if you do not receive this information by **24 July 2014**. You must keep us informed of any changes to your correspondence/e-mail address.

Note 4 Let us know the qualification you expect to receive and the name of your School.

Note 5 Numbers in the Hall are limited for safety reasons. So that everyone has the same opportunity to bring friends and family with them, guest tickets are restricted initially to a maximum of two per student. If you return your form after the deadline of **11 July 2014** you will not be guaranteed any guest tickets. **The charge is RM120 per ticket and this includes a guest seat at the ceremony, a commemorative programme, and pre ceremony refreshments and post ceremony high-tea buffet.** Please indicate the number of tickets you would like and remember to enclose payment. Only students do not pay for their tickets but will have to pay for all guest tickets including tickets for their parents. **All student and guest tickets will be issued at registration on the day of the ceremony.**

Students **graduating *in absentia***, and have requested for their certificates and transcripts to be couriered to them, will have to pay **RM 50 to cover the courier charges**. Students who wish to collect their documents in person do not have to pay any fees.

Payment must be made in Ringgit Malaysia (RM) by cheque or bank draft made payable to '**The University of Nottingham in Malaysia Sdn Bhd**'. Please write the name of the student graduating at the back of your cheque. Alternatively, you can bank in the money directly into the University's bank account:

- **HSBC - A/C No.: 301-879391-101**
Swift Code: HBMBMYKL (required for telegraphic transfers)

You can also make payment through online credit card payment- Visa/Mastercard at the following link <https://epay.nottingham.edu.my/>

[Please return the original bank in slip to us for filing purposes.]

If extra tickets become available, information about how to apply for them will be available by contacting the Graduation Office. However, there is no guarantee that there will be spare tickets and guests will not be allowed entry without a ticket. Therefore please do not make travel / accommodation arrangements for guest until you know that you have tickets for them. Please do not request more than two guest tickets at this stage or send additional payment as we do not operate a 'waiting list' system.

Please note that we will not be sending the tickets to students as this takes a longer time and there is no guarantee for it reaching you on time. We will have your student and guest tickets waiting for you on the day of the ceremony when you register yourself at the Foyer of the Ballroom.

Note 5a Graduation ceremonies are formal, lengthy events and experience shows that children become bored and restless. Every baby or child must have a ticket to enter the Graduation Hall, without exception. Up to two complimentary tickets may be applied for children under the age of 2; children using these tickets must sit on an adult's lap, not in a seat. Children aged 2 and over must have a full-price guest ticket. Pushchairs and prams are not allowed in the Graduation Hall.

Note 6 If you or a guest has an individual requirement (eg mobility, vision or hearing difficulties) please indicate this. We will then contact you for more details so we can put the appropriate arrangements into place.
