

ON – CAMPUS STUDENT ACCOMMODATION APPLICATION INTAKE SCHEDULES DATES

You may choose to apply for our on-campus accommodations at the same time or at a later date when you submit your applications for your course of study. You are advised to submit your request as early as possible to improve your chances of getting the room type you prefer. The University accommodation policy states that all new students and current residents are allowed to apply for on campus accommodation and also allowed to stay in on campus accommodation for their entire study period. Thereafter, on campus accommodation will be allocated to returning students based on availability of a room and on a first come first served.
