Welcome to the world of Nottingham

Ranked

75th

of universities worldwide

QS World University Rankings 2016/17

Top

in the UK for graduate employment

The Times and The Sunday Times Good University Guide 2017

2

international campuses in China and the UK

Access to a world-class UK education

All our degrees are taught in English and all students graduate with the same degree and the same certificate, regardless of which campus they study at. Our degrees are accredited by international professional bodies such as the Association of MBAs, the Royal Pharmaceutical Society in Great Britain and the UK Engineering Council.

Nobel prize-winning academics

University of Nottingham academics have won Nobel Prizes twice since 2003.

Worldwide study abroad opportunities

There's a wealth of opportunities at our campuses in China and the UK and at partner universities across the globe.

Renowned for our commitment to teaching and learning, we are in the top 1% of universities internationally*. Recognised globally for teaching excellence, acclaimed for our life-changing research and home to students from all over the world, **The University of Nottingham is an inspiring place to study and work.**

In 2000 we became the first British university to set up a campus both outside of the UK and in Malaysia, earning The University of Nottingham the Queen's Award for Enterprise 2001 and the Queen's Award for Industry (International Trade) 2006.

Since opening, The University of Nottingham Malaysia Campus (UNMC) has welcomed students from across the globe and gained a reputation for world-class research and teaching in arts, engineering, science and social science.

* Ranked 75th in the QS World University Rankings 2016/17.

Over

250,000

alumni from across the globe

Alumni from our UK, China and Malaysia Campuses.

About

5,000

students from 85 countries study at UNMC

Scholarships

The University of Nottingham Malaysia Campus grants scholarships to deserving and academically excellent students. Applicants are selected based on their academic achievements and the socio-economic status of their family. In addition, there are various sources of financial assistance available to help fund your education.

Full scholarships

The Star Education Fund

The University pledges several scholarships via The Star Education Fund for foundation and undergraduate programmes of study. This scholarship is open to Malaysian students only. Refer to *The Star* newspaper for further details: www.thestar.com.my

Sin Chew Daily Education Fund

Several full scholarships are made available every year through the Sin Chew Daily Education Fund for undergraduate programmes. This scholarship is open to Malaysian students only. Further details can be found printed in the *Sin Chew Daily* newspaper in February and March: www.sinchew.com.my

Partial Scholarship

High Achievers' Scholarship

This is an automatic scholarship for foundation and undergraduate programmes of study. Students who meet the criteria will automatically be awarded the scholarship, whereby they will only have to pay 75% of their tuition fees or less for the first year of study. It is open to both Malaysian and international students.

Dean's Excellence Scholarship

The Dean's Excellence Scholarship (DES) amounts to a fee reduction of 25%. These scholarships are awarded to top achieving students, at the point of progression for each academic year, ie from:

- foundation to year one
- year one to year two
- year two to year three
- year three to year four

Automatic scholarships

We offer several automatic scholarships for alumni of The University of Nottingham, children of alumni, siblings, spouses and alumni of Universitas 21 (U21) institutions.

Part scholarships for Malaysian students

Tinggi Foundation Scholarship

The University is very fortunate to have the support of Tinggi Foundation, which offers scholarships to deserving students. The scholarship is worth 50% of any undergraduate tuition fee and is open to Malaysian students pursuing courses in the following schools/departments:

Faculty of Arts and Social Sciences

- Business
- Economics
- Education

Faculty of Engineering

- Chemical and Environmental Engineering
- Civil Engineering
- Electrical and Electronic Engineering
- Mechanical, Materials and Manufacturing Engineering

Faculty of Science

- Computer Science
- Psychology

Other finance options

Other finance options for undergraduate students include:

- Majlis Amanah Rakyat (MARA) Study Loan Scheme
- National Higher Education Fund (PTPTN loan) – for Malaysian students doing undergraduate courses only
- Employees Provident Fund (EPF) withdrawal scheme for education – for Malaysian students pursuing diploma and higher level

Students with outstanding academic results can also seek sponsorship from other sponsoring bodies. The list of sponsoring bodies can be found at

Accommodation

Finding the right place to live while you study is an important consideration in your choice of university. Our Accommodation Office is here to offer a free and friendly service in helping you find a place to live that not only suits your needs but lets you get on with university life – both studying and having fun.

On-campus accommodation

We offer various room types within our 11 Halls of Residence, totaling over 2,400 beds, to suit your budget. They range from single en suite, twin share to four shared bedrooms. These Halls are within easy walking distance to the academic buildings, sports, food, retail and leisure facilities, besides having a Hall Warden or Hall Tutor who will be available to care for your safety and welfare.

Facilities include:

- cleaning services
- communal student area (Student Village North - Radius and Nexus)
- communal student hub (Student Village North J1-J6)
- convenience store (Student Village North)
- laundry services
- mini fridge in room (Student Village North J1-J6)
- outdoor gym (Student Village North and South)
- pantry facilities
- room repair and maintenance services
- wi-fi wireless in each room

Accommodation fees includes above facilities, utilities and internet connection. The room rental will be billed on a quarterly basis.

Air-conditioning and other costs

Students in rooms with air-conditioning will be billed on a quarterly basis for air-conditioning usage based on a meter reading. Students may use the coin-operated launderette or assisted laundry services at own expenses.

Who can apply?

Foundation and first year students who applied are guaranteed a room or bed within our on-campus accommodation. Continuing and progressing students may also apply before the end of their semester or academic year.

How to apply

You can submit your application for a room, the moment you have submitted your application for a course of study. You may apply online or download the Accommodation Application Form from our website at:
www.nottingham.edu.my/accommodation

Room preferences and allocation

Please indicate five choices of room type on your application (with number one as the most preferred, and number five as at the least preferred). We will not be able to process your application if you provides less than five choices according to your preferences.

Students with specific requirements

If you have a disability or a specific medical requirement, please indicate this in your application form and send us any necessary medical reports. These will be forwarded to our Student Wellbeing and Learning Support Office for further advice and assessment.

Terms and conditions

You are required to provide proof of the following, to confirm your accommodation booking:

- Acceptance of your offered course of study at UNMC; and
- Payment of the rental fee as indicated in the official invoice from UNMC.

Off-campus accommodation

Should the on-campus accommodation be unavailable, you may choose to live in off-campus accommodation in Taman Tasik Semenyih (TTS) or UniVillage. TTS is located about 2km from the campus main entrance, while UniVillage is located across the road from the main entrance. Shuttle bus services are provided between the campus and these two locations which takes 5-10 minutes.

Off-campus accommodation is privately owned and managed, and not run by the University. The Accommodation Office will provide you with details of off-campus accommodation if you are unable to live on campus. Please be aware that if you opt to reside in off-campus accommodation it is a private arrangement between yourself and the off-campus accommodation manager.

English language support

All of our courses are taught and assessed in English. We offer English language support for students who need it through the Centre for English Language Education (CELE). CELE run preparatory English courses for students who need to improve their English language skills before starting their degree course, as well as in-session English classes available to students throughout their studies.

International Office

The International Office is responsible for directing our relations with foreign institutions and international students. As a prospective or current international student, you can obtain support and advice from our dedicated staff. This includes student welfare and non-academic matters such as medical insurance, banking and the management of student exchange and inter-campus transfer programmes.

Our international support service promotes the wellbeing and social interaction of students. We provide official letters to help obtain official documentation on living expenses; invitations for visas and opening bank accounts; advice on any problems you have with living and studying in Malaysia; and information on the professional support services available at the University. Entry requirement guidelines

We strongly encourage all interested students to apply. Our students come to us with a diverse range of qualifications and we also consider personal statements, references, and interview performance (if you have one) when making a decision. The only way for us to fully determine eligibility is through the submission of a completed application.
