UNMC ID REQUIREMENTS

Upon boarding the shuttle buses, the university management requires all university bus passengers to:

Show their UNMC ID card to the bus drivers. This is important to enable the drivers to identify you as a UNMC student or staff and to prevent unauthorized passengers from boarding the buses for the safety/security of all university passengers.

University bus passengers, both student and staff who do not have their UNMC ID card will be DENIED from using the shuttle hus service

SAFETY / TRAFFIC REGULATION / GENERAL CONCERNS

The points below are important for all university bus passengers to follow, for the benefit of all parties involved in the shuttle bus service, may it be the bus drivers or you as the passenger. Everyone's cooperation will effectively make each journey a more comfortable one.

Please only wait at assigned pick-up/drop-off points. Bus drivers have been instructed to pick-up and drop-off passengers at assigned stops only. This is important for safety reasons and also that the drivers follow the traffic laws. However, the drivers upon their discretion may drop-off or pick-up passengers at unassigned stops only if there is an emergency need to do so, or when it's raining heavily; as long as it does not endanger the lives of others and themselves.

Passengers have no right to demand the bus drivers to stop according to their personal needs, unless it's an emergency.

Please clearly indicate or inform the bus driver in advance whenever you want to be dropped-off or picked-up from an assigned stopping point.

Do not wait at road junctions as it will endanger your lives and also the lives of others.

Board the buses **early** and do not wait for it to move then decide to **run** after it or **demand** the bus drivers to wait for you or your peers. Actions like these will not be tolerated as the shuttle bus service is provided for all university students and staff and not as a private vehicle for a few.

No Standing Rule - When the buses are full (44-passengers), please wait for the next bus or a back-up bus and cooperate with the bus driver by following his instructions. Back-up buses will take some time to arrive, so please be patient.

Any university bus passenger found to have disrupted the journey of shuttle bus service and/or

endangered the lives of other students and staff by their undisciplined or rebellious / reckless behavior will be accountable to the university management.

No verbal complaints will be entertained. Any complaints regarding a particular journey should include the following details with a descriptive report on what took place and be submitted within 72 hours after the incident. Late complaints will not be entertained as it would be difficult to trace back what took place.

2) Time 3) Bus plate Number (description of the driver) 1) Date 4) what route 5) Area of Incident

Remember that action can only be taken when we receive written feedback that contains relevant information!
