Grid Timetables Explained

This view is a selected via the module timetable, by selecting the department and module, using the grid format, viewing all year and from 9am-6pm.

This is the activity name consisting of the module code, activity type (e.g. L, S, P etc) and the number per week i.e S1/01, S1/02 etc. The # sign denotes a fixed time activity and the % sign denotes a same time activity. This is for timetabling purposes only.

This is the activity type. As coded in the activity name e.g. S = Seminar, L = Lecture etc
