

STUDY ABROAD OPPORTUNITIES

(EXCHANGE PROGRAMME)

UK CAMPUS

School of Biosciences

University of Nottingham UK Campus

www.nottingham.ac.uk

School Contacts: Dr Susan Azam Ali (Susan.Azamali@nottingham.edu.my)

Apply in 1st year to study abroad for the Full Year/ Autumn Semester/ Spring Semester of 2nd Year

Eligible students:

BSc (Hons) Biotechnology

BSc (Hons) Nutrition

Requirement;

- 1. Min requirement of 55% and above**
- 2. No re-sit**

Apply in 2nd year to study abroad for the Full Year of 3rd Year

Eligible students:

BSc (Hons) Biotechnology

BSc (Hons) Nutrition

(applicable only for 2022/2023 academic year)

Requirement;

- 1. Min requirement of 60% and above in Year 2**
- 2. No re-sit**
- 3. Limited quota imposed – up to 3 available spaces per degree programme**
- 4. Application is not guaranteed. This will be based on the quota or academic approval from the UK Campus.**

Important Notes: Interested Year 2 students should be made aware of this advance notice. There is a small risk that we would not be able to confirm marks following UNUK exam boards in time for the UNM graduation deadline, which could mean that students may or may not be able to graduate in July. Students should also be aware of the academic “risk” that they are taking by undertaking mobility during their final year and agree to take the risk as mentioned above. The quota is imposed due to limitations with supervision for the final year project. Students should be aware that project choice may be limited.

Submission of application does not guarantee any seat to UK Campus.

Subject to approval from both campuses (UoN / UNM).

For Full Year / Autumn/ Spring: Applications Open: 1 Feb, Applications Deadline: 28 Feb

For Spring: Applications Open: 1 Aug, Applications Deadline: 30 Aug
