How to Apply

New students may apply for on-campus accommodation as soon as you have your Nottingham ID which is usually issued soon after you have submitted your course application.

Current students who are progressing/continuing their studies (Returning Residents) are encouraged to apply in January (and accept with payment by end February) for the new Academic Year starting in September and enjoy the option to request for the same room in the new academic year. Confirmation of your room is on first accepted with payment basis.

On-Campus Accommodation will be allocated to Returning Residents based on availability of a room and on a "First Come First Served with Payment Basis."

As long as you have your Student ID, you can register with **OLAA**, the University's on-line accommodation application portal, which will allow you to:

- preview and select the various types of rooms available
- submit your application
- manage your offer (accept, decline or apply for an extension)
- indicate your date and time of arrival

OLAA will also provide you with other important information on how and when you can check-in.

Room Preferences and Allocation

Different Room Types are available to suit your budget and preference. Applicants must prioritize their choice of Room Type from 1 (first) to 5 (fifth). Accommodation Office cannot process your application if you selected less than five choices. Kindly be reminded that we follow a "First Come First Served with Payment" policy to confirm the Room Type.

In the event that you do not get your preferred Room Type, it is recommended that you accept what is been offered to prevent further delay. You will have the chance to change to your preferred room type by applying for Room Transfer after you have Checked-In to the room offered to you. Your Room Transfer request will be processed according to room availability due to "No Show".

Students with specific requirements

If you have a physical disability or have special needs, kindly indicate when applying via OLAA and provide written supporting documentation or medical reports from a registered physician/doctor. These will be forwarded to our Student Wellbeing and Learning Support Office for further advise and assessment. You may also indicate your room preference to be within an "All Female" Hall of Residence.
