

## Deadline to accept your offer

## Login to NottinghamHub

You can view the due date to accept your offer under 'My application' tile.

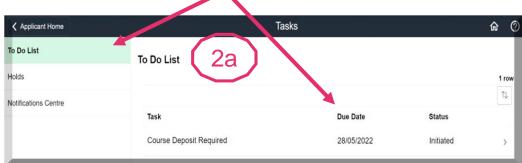

The due date to accept your offer is also printed in your offer letter. Click on **'Documents'** tile to download a copy of your offer letter.

The course deposit is not applicable to postgraduate research but you **must still** accept your offer via NottinghamHub. The specific deadline is printed in your offer letter.

Click on **'To Do List'** menu to view the pending task. The due date will be visible in the page.

This is normally a 4-week deadline but we may provide an earlier deadline for late applications i.e. when the registration date or visa application deadline is approaching.
