These study tours offer a unique and invaluable business and cultural programme, allowing students to gain direct experience of contemporary business and management issues. The tours include visits to global companies such as Lenovo and Tencent, meetings with top executives as well as relevant universities for exposure to business engagement and business research apart from cultural excursions.

The study tours are usually organised in January of every year , where the destinations focus on emerging markets. Past study tours have taken students to Shanghai, Ningbo, Beijing and Taiwan.

Students at Nottingham University Business School Malaysia are also invited to participate in MBA study tours that are organised by Nottingham University Business School (UK), which include study tours to the United States, China and other parts of the world.

The study tour is an option available to full-time and part-time MBA students, as a separate activity from those covered by the programme's fees.
