Global Experience Opportunity

The Nottingham University Business School MBA programme organises international study tours for the students every year. These study tours offer a unique and invaluable business and cultural programme, allowing students to gain direct experience of contemporary business and management issues. The tours include visits to global companies such as Lenovo and Tencent, meetings with top executives as well as relevant universities for exposure to business engagement and business research apart from cultural excursions.

Study tour destinations focus on emerging markets, with past tours having taken students to Shanghai, Ningbo, Beijing and Taiwan.

Students at Nottingham University Business School Malaysia are also invited to participate in MBA study tours that are organised by Nottingham University Business School (UK), which include study tours to the United States, China and other parts of the world.

The study tour is an option available to full-time and part-time MBA students, as a separate activity from those covered by the programme's fees.

MBA study tour participants at the Shanghai Stock Exchange in January 2018

“We visited the offices of BDO China, Lenovo, Tencent and Huawei, whose executives provided us invaluable insight on doing business in China. The trip benefited me immensely, allowing me to see up-close China's strength not only in manufacturing but also as a leader in innovation.”

Ethan Siew, MBA (2017 study tour to Beijing)

MBA study tour participants at the Summer Palace in Beijing, in January 2017

“We learnt how innovation drives the titans of Taiwan, about leadership attributes that are required to become successful entrepreneurs, and how even the most technically-proficient entrepreneur has to also be able to handle accounting, marketing, managing people and operations management aspects of the business.”

Chay Guo Wei, MBA (2016 study tour to Taiwan)

“This was my first visit to China and it was an eye-opener for me, as we went from one business to another to see first-hand the efficiency of Chinese businesses, and to appreciate China's role not only in innovation, technology but also in the global economy. I enjoyed every bit of the company visits, which greatly complemented my MBA classroom experience.”

David Masua, MBA (2019 study tour to Shanghai)
