When will I receive my PTPTN loan?

How will the loan be disbursed?

Your PTPTN loan will be paid directly into your personal Affin Bank account.

How often will I receive payment?

Payments are made once per academic year, NOT every semester. If your student status becomes inactive, PTPTN will withhold the payment.

First payment

Your first payment will normally be made within 21 working days after PTPTN receives your completed and signed online agreement, provided there are no issues with your agreement or supporting documents.

Future payments

Subsequent payments are made according to the PTPTN payment schedule, usually around late October or early November.

To continue receiving your loan, you must:

- Achieve an average mark of at least 40% each year
- Maintain an active student status

Studying overseas

PTPTN is not an overseas study loan. Payments will stop if you transfer to UNUK and UNNC.

What counts as inactive status?

Inactive status includes students who undergo study interruption, suspension, leave of absence, external resit, transfer and withdrawal.
