Welcome to our CAMPUS OPEN DAY

Step into your future at the University of Nottingham Malaysia. We're so excited to have you in Semenyih! Today is all about exploring what makes UNM unique, from our curriculum to our campus experience. Join in the fun and discover how you can be part of a university that prepares you for a world of opportunities.

Triple-Crown Accredited

Our Business School is among the world's top 1% - EQUIS, AMBA & AACSB accredited.

Ranked **#97** based on
the QS World University
Rankings 2026.

Hired by the Best

Our graduates work at top 100 global companies like Nestlé, Intel, IBM, and HSBC.

Study Locally, Graduate Globally

with our transfer and exchange options to our UK or China campuses.

Fixed Tuition Fees

Lock in your fees for the entire duration of study - no increases, no surprises. Scan to learn more.

*Excluding application fee.
Terms and conditions apply.

Graduate Advantage

Our graduates earn up to 2x more than the average graduate salary in Malaysia.

*Based on the UNM Graduate Destination Survey (June 2023), with a national average salary of RM2,700.

Top-Ranked Programmes

Our Pharmacy, Psychology, Education and Engineering programmes are ranked in the top 100.

*QS World University Rankings by Subject 2025

25 YEARS IN
MALAYSIA

Celebrating 25 Years of Excellence

Since 2000, the UNM has shaped future leaders through world-class UK education. Discover our journey and milestones at the 25th Anniversary Gallery, Ground Floor, Trent Building.

16 August 2025

How Math and Data Shape Our Lives

H1B11 Activity Room #1
10.00am - 10:55am

See how maths and data science power predictions, from Spotify picks to business decisions.

Think Before You Buy: Are You Making Healthy Grocery Choices?

H1B11 Activity Room #1
12.00pm - 12:55pm

Decode food labels, avoid marketing traps, and make healthier, budget-friendly grocery choices.

Managing Anger: Reflecting Beneath the Rage

H1B11 Activity Room #1
11.00am - 11:55am

Explore what fuels your anger, reflect on hidden emotions, and gain tools for better emotional control.

Pathways for Higher Education with LEGO® SERIOUS PLAY®

H1B18 Activity Room #2
12.00pm - 12:55pm

Explore your passions, study options, and career goals using the LEGO® SERIOUS PLAY® method.

23 August 2025

Build It, Break It: The Bridge Challenge

H1B11 Activity Room #1
11.00am - 11:55am

Discover the basics of structural stability and design thinking by building using materials like straws and sticks.

Design That Pops: 3D Pen Design

H1B11 Activity Room #1
12.00pm - 12:55pm

Use a 3D pen to bring your ideas to life. Learn how extrusion-based design works while crafting your own mini 3D models.

Dicebreaker: Exploring Probability in Economics

H1B18 Activity Room #2
11.00am - 11:55am

From dice rolls to decision-making, see how probability explains risk and value in everyday economics.

Campus Tours

Guided Campus Tour

Join our student ambassadors on a walking tour to explore key spaces like faculty buildings, library, labs, lecture halls and more.

Faculty & Facilities Tour

Hop on a buggy for a personalised tour of our state-of-the-art facilities. From science labs to engineering workshops and more.

Accommodation Tour

Wondering what it's like to live on campus? Take our shuttle to Block J for a first-hand look at our newly-renovated student accommodation.
