NUsearch

- NUsearch is a one stop search tool that allows you to find our extensive physical and electronic library collections. You'll find books, journals, articles, videos, theses, databases and much more.
- It's mobile friendly, so you can use it on the go. It's single sign-in, so you don't have to sign in again to access electronic resources.
- NUsearch is your one-stop-shop to searching and accessing everything in one place.

NUsearch url: <https://nusearch.nottingham.edu.my>

NUsearch – single sign in

The screenshot shows the NUsearch Malaysia website interface. A red dashed box highlights the URL <https://nusearch.nottingham.edu.my> in the address bar. A red dashed arrow points from this box to a red dashed box around the 'Sign in' button in the top right corner. Another red dashed arrow points from the 'Sign in' button to the search bar. The search bar contains the text 'What are you looking for?'. Below the search bar, there are filters: 'All items', 'with the words', and 'anywhere in the record'. The main content area has three sections: 'Welcome to NUsearch Malaysia', 'Where can I get help?', and 'Free e-resources available during the Covid-19 period'.

Why study Economics for Business Good economic decision making is fundamental to the success of business. Economic decisions lie at the heart of business. Economics is all about the choices between alternatives and how to weigh up their costs and benefits. Studying this book will help you understand such choices and how to make them successfully when you take up a job or perhaps run your own business.
