# Reading List Analytics: Dashboard

This guide will introduce you to Talis Aspire Analytics and explain the information you will find displayed in the Dashboard.
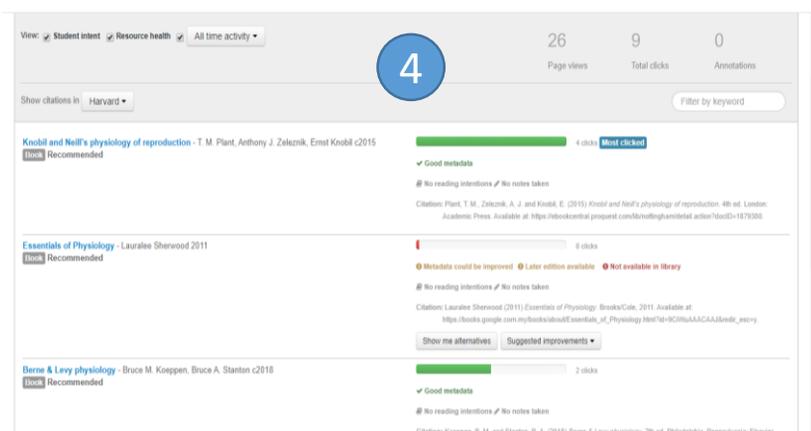

When you are viewing a list for which you have editing permissions, you will be able to view analytics for the list's use.

1. Click **View** and select **Analytics**

2. You will be taken to the Dashboard, where you will see the total amount of views your list in the selected time period.

3. You can filter the kind of information displayed and alter the time period.

4. The item is displayed on the left and statistics about the use of the item are visible on the right

*The Dashboard updates every 24 hours as the new data is processed and pushed through to the dashboard view.
