

Library Training for New Students Via Microsoft Teams

What is NUsearch?

NUsearch is your online library discovery tool and one-stop platform to search and access the library's physical and electronic collections. NUsearch contains books, eBooks, journal articles, databases and much more.

NUsearch basic (30 minutes) sessions include:

- finding library books and eBooks
- how to make a meeting-room booking
- managing your library account
- introducing the library's website and user guides
- how to access past-exam papers

Please check the timetable below and register yourself [here](#).
