Library trainings for you

We are thrilled to extend an invitation to our upcoming trainings on NUsearch and bibliography software. These sessions will guide you on how to access library resources including physical and electronic collections from NUsearch, and to learn on managing your references with bibliography software - Mendeley Reference Manager and EndNote20.

NUsearch training for library users

What is NUsearch?

NUsearch is your online library discovery tool and one-stop platform to search and access the library's physical and electronic collections. NUsearch contains books, eBooks, journal articles, databases and much more.

**NUsearch basic (30 minutes)** sessions include:
- How to access eBooks
- How to request on-loan books
- How to access past-exam papers
- Introducing the library's website and user guides

NUsearch advanced (60 minutes) sessions include:
- **All topics** covered from NUsearch basic
- How to find eResources (articles, eJournals and databases)
- Introducing BrowZine (a platform to access eJournals in one simple interface)
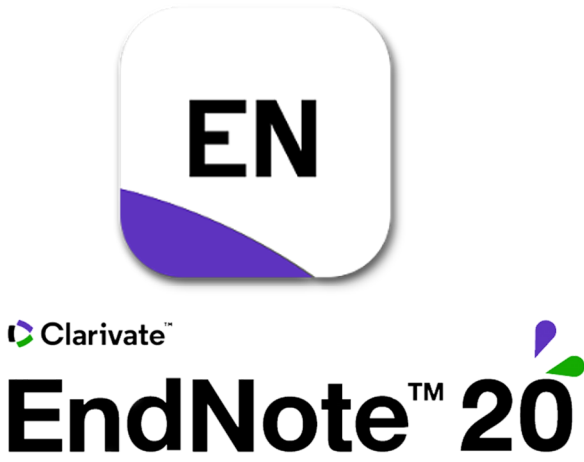

Mendeley Reference Manager

Mendeley Reference Manager is a free web and desktop reference management application. It helps you simplify your reference management workflow so you can focus on achieving your goals.

Mendeley (60 minutes) sessions include:
- Add and organise your references
- Seamlessly cite with Mendeley Cite
- Read, highlight and annotate PDFs with Mendeley PDF Viewer

EndNote20

EndNote 20 is a desktop-based software that lets you manage and organise all of your references, import multiple references from databases, insert references easily into papers, and create instant bibliographies.

You can also synchronise all the references in one desktop library to EndNote online library.

EndNote20 (60 minutes) sessions include:
- Add and organise your references
- Cite while you write with EndNote
- Read, highlight and annotate PDFs with EndNote PDF Viewer
- Create and syncronise to EndNote online

These trainings will be held in **Library Computer Room (GD14),** please check the timetable below and register yourself here for NUsearch, Mendeley or EndNote training.
