NUsearch

- NUsearch is a one stop search tool that allows you to find our extensive physical and electronic library collections. You'll find books, journals, articles, videos, theses, databases and much more.
- It's mobile friendly, so you can use it on the go. It's single sign-in, so you don't have to sign in again to access electronic resources.
- NUsearch is your one-stop-shop to searching and accessing everything in one place.

NUsearch url: <https://nusearch.nottingham.edu.my>

NUsearch – single sign in

The screenshot shows the NUsearch Malaysia website interface. At the top, there is a navigation menu with links for Home, Help, Databases, Journals, Interlibrary loans, and BrowZine. A red dashed circle highlights the 'Sign in' button in the top right corner. A red dashed arrow points from the 'Sign in' button to a text box in the center of the page. The text box contains the instruction: 'Go to <https://nusearch.nottingham.edu.my> and click on 'Sign in''. Below the navigation menu is a large blue banner with the 'NUsearch' logo and a search bar containing the placeholder text 'What are you looking for?'. Below the search bar are three dropdown menus: 'All items', 'with the words', and 'anywhere in the record'. The main content area is divided into several sections: 'Welcome to NUsearch Malaysia', 'Where can I get help?', 'Free e-resources available during the Covid-19 period', and 'News'.

Why study Economics for Business Good economic decision making is fundamental to the success of business Economic decisions lie at the heart of business. Economics is all about the choices between alternatives and how to weigh up their costs and benefits. Studying this book will help you understand such choices and how to make them successfully when you take up a job or perhaps run your own business.

News

NUsearch – Finding databases

The screenshot shows the NUsearch website interface. At the top, there is a navigation menu with links for Home, Help, Databases, Journals, Interlibrary loans, and BrowZine. The main heading is "NUsearch". Below the heading is a search bar with the placeholder text "Enter database name" and a magnifying glass icon. Underneath the search bar is a row of letters from 0-9 to X, and below that, Y, Z, and Others. On the left side, there is a section titled "Databases by category" with a list of categories: Aerospace engineering, Biochemistry, Biology, Business and management, Chemical engineering, Chemistry, and Civil engineering. In the center, there is a section titled "Search for databases" with the text "To search for databases you can do the following:" and a list of three bullet points: "Enter keywords in the search box.", "Click on a letter above.", and "Browse databases by category."

Databases allows you to **search for a database** and **browse by subject** and **A-Z titles**. From here, you can link out direct to each database's native interface and continue your search from there.

NUsearch – Finding databases

The screenshot shows the NUsearch interface. At the top, there is a navigation bar with links for Home, Help, Databases, Journals, Interlibrary loans, and BrowZine. The main search area has a search bar with the text 'Sage' and a magnifying glass icon. Below the search bar, there are alphabetical tabs from 0-9 to X, and Y Z Others. On the left side, there is a 'Databases by category' list with various engineering and science categories. The search results section shows one result: '1 SAGE journals [electronic resource]. Thousand Oaks, Calif. ; London : SAGE Publications 200?]. Provides full-text online access to electronic journals published by SAGE Publications.' Below this result, the text 'Available online' is highlighted with a red dashed circle. A red dashed box on the right side of the page contains the text: 'Search with **database name** and click on "**Available online**" to access the database'. Red dashed arrows point from the search bar and the 'Available online' link to this text box.

NUsearch – Finding databases

You are now landed on database page. You can continue your search from here.

NOTE:
For most of the eResources, you won't have to sign in again even from off-campus, as you already signed in to NUsearch.

The screenshot shows the NUsearch website interface. At the top, there is a navigation menu with links for Home, Help, Databases, Journals, Interlibrary loans, and BrowZine. Below the navigation menu is the NUsearch logo and a search bar with the placeholder text "Enter database name". A yellow button labeled "Find databases" is positioned to the left of the search bar. Below the search bar is a horizontal row of characters: 0-9, A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T, U, V, W, X, Y, Z, and Others. The letter 'S' is highlighted in a yellow box and circled with a red dashed line. A red dashed arrow points from this box to a callout box on the right. The callout box contains the text: "Or, you may browse databases starting with a **specific letter (A-Z)**, **number (0-9)** or **non-Latin characters (OTHERS)** by clicking on the relevant character." Below the search bar, the page displays "10 Results" and a list of databases. The first result is "SAGE journals [electronic resource]". The second result is "SciELO - Scientific Electronic Library Online". The third result is "Sciencedirect freedom collection [electronic resource]". On the left side of the page, there is a section titled "Databases by category" with a list of categories including Aerospace engineering, Biochemistry, Biology, Business and management, Chemical engineering, Chemistry, Civil engineering, and Classics.

Or, you may browse databases starting with a **specific letter (A-Z)**, **number (0-9)** or **non-Latin characters (OTHERS)** by clicking on the relevant character.

NUsearch – Finding databases

Or, you may browse databases by subject category. The clickable categories are listed on the left hand side of the screen under **Databases by category**

19 databases found for Business and management

1 **ABI/INFORM global [electronic resource].**
Ann Arbor, Mich. : ProQuest LLC. 1970
ABI/INFORM Global™ is one of the most comprehensive business databases on the market, offering the latest business and financial information for researchers at all levels. It includes in-depth coverage from 1923 to the present from thousands of publications, most of them in full-text. With ABI/INFORM Global, users can find out about business conditions, management techniques, business trends, management practice and theory, corporate strategy and tactics, and competitive landscape. Included in ABI/INFORM Global is ABI/INFORM Archive™. This retrospective companion to ABI/INFORM provides cover-to-cover, full-images complete with illustrations and advertisements. The database contains complete runs of key business and management journals, providing a unique historical perspective on hundreds of topics, including corporate strategies, management techniques, marketing, product development, and industry conditions worldwide.

NUsearch – Finding databases

The screenshot shows the NUsearch website interface. At the top, there is a navigation menu with links for Home, Help, Databases, Journals, Interlibrary loans, and BrowZine. A search bar is located on the right side of the header. Below the header, a search query is entered: "contains,dbcategory,&tab=jsearch_slot&sort=...". The search results are displayed under the heading "Databases by category". A red dashed box highlights the text "Under **Databases by category**, you can further refine the databases to **key resources**." A red dashed arrow points from this box to the "Business and management" category in the list. The "Business and management" category is also circled in red. The search results show 9 databases found for "Key resources". The first result is "ABI/INFORM global [electronic resource]".

Under **Databases by category**, you can further refine the databases to **key resources**.

Remember your filters

The screenshot shows the NUsearch interface with the search term 'business ethics' entered. The search results show 1,617 results on page 1. The 'Active filters' section on the right includes: Taylor & Francis Open Ac..., Peer-reviewed journals, Reviews, Remember all filters, and Reset filters. The 'Reset filters' button is highlighted with a red dashed box. A red dashed arrow points from the 'Reset filters' button to the 'Home' button in the navigation menu. Another red dashed arrow points from the 'Reset filters' button to the search input field.

Click on '**Reset filters**' to clear all filters, or click on '**Home**' button to start new search session.

By locking your chosen filters, all searches in **same search session** will automatically have your selected filters applied. This is particularly useful when carrying out repeated searches for online resources.
