BPS Journals

BPS Journals form an essential part of the society's aim to advance and disseminate psychological knowledge. Teaming up with Wiley-Blackwell, we have formed a publishing partnership with the aim of achieving our full potential and better serving BPS members.

Please be aware that a predatory publisher, International Agency for Development of Culture, Education and Science (IADCES), has been attempting to solicit content for a fee from unsuspecting authors.

The BPS and Wiley have no affiliation with IADCES.
